How do I convert my Anantara Vacation Club Points to Hilton HHonors®?

There are 2 options to convert Anantara Vacation Club Points to Hilton HHonors®:

- 1) **Regular conversion** at the rate of 1 Anantara Vacation Club Point = 20 Hilton HHonors® Points. Your future years points may be borrowed to allow you to convert them at this rate. Converted Hilton HHonors® Points will be available in mid January of the following year. Please note that the cut off for Regular Conversions is the 2nd Friday of December each year.
- 2) **Fast track conversion** at the rate of 1 Anantara Vacation Club Point = 17 Hilton HHonors® Points. Your current years points may be converted at this rate. Fast track conversions are processed weekly on Fridays, and the process generally takes 7-10 business days to have your Hilton HHonors® Points credited to your account.

You can convert Anantara Vacation Club Points in 1,000 point increments, with a minimum of 5,000 points required per conversion.

To process your conversion, contact Club Services at clubservices@anantaraclub.com.

How do I book your holiday at Hilton Hotels and Resorts by using Hilton HHonors® Points?

Once you are notified by email that the Hilton HHonors® Points are credited to your account, you can simply [begin your search](#) for participating hotels and corresponding reward categories, or view instructions on how to redeem points for a hotel reward from this [link](#).

Due to security and privacy issues, Anantara Vacation Club Services is unable to reserve you rooms in the Hilton Worldwide or confirm bookings on your behalf, thus we advise you to plan in advance to ensure you can book your desired hotel and room. If you are having difficulties navigating the site, please contact [Club Services](#) for further assistance.

Can my Hilton HHonors® Points be converted back to Anantara Vacation Club Points?

No, Hilton HHonors® Points cannot be converted back to Anantara Vacation Club Points. Please take note, however, that your Hilton HHonors® Points will not expire for the lifetime of your Anantara Vacation Club Ownership. The Hilton HHonors® Programme is therefore a great option to extend expiring Anantara Vacation Club Points.

What if I am not eligible for the Hilton HHonors® Programme?

Contact our Owner Enhancements department at enhancements@anantaraclub.com for more information and assistance.
