Your Quick Start Guide

STEP 1

SEARCH FOR YOUR VACATION

Decide on the vacation experience you are looking for. Then browse online at IntervalWorld.com for resort images and the latest listing of available resorts.

STEP 2

PLANNING WITH THE TRAVEL DEMAND INDEX

Refer to Interval International's Travel Demand Index to assist you in planning your next vacation. When placing an exchange request, or when booking any travel reservation, this can serve as a useful guide by demonstrating the historical strength of demand in a given area during each week of the year. This will help you determine when the best opportunities for travel are likely to be available and also is an important tool for when you use Anantara Vacation Club Points for Interval exchange.

STEP 3

LET INTERVAL INTERNATIONAL DO THE WORK FOR YOU

Call an Interval International Vacation Counsellor to check for availability at the resorts in which you are interested and to place your exchange request. A full list of Interval International's toll-free numbers is available on the last page of this brochure or through the Interval International exchange link on Anantaravacationclub.com. Alternatively, you can exchange online at IntervalWorld.com.

STEP 4

PAYMENT AND CONFIRMATION OF EXCHANGE

The Interval International exchange fee is required and payable at the time of request; however you keep your Anantara Vacation Club Points until the exchange is confirmed. As soon as your requested exchange becomes available, a confirmation certificate will be sent to you and you'll be all set for your next vacation!

Please check that you have sufficient Club Points prior to making your Interval International exchange by visiting 'My Account' tab at Anantaravacationclub.com.

Tips for easy vacation planning

BE FLEXIBLE

If your desired destination is not immediately available, place a request with Interval International®. Be sure to request a minimum of three different resorts and at least one travel date; one resort and three travel dates; or two resorts and two travel dates. If one of your selections becomes available, you will be confirmed immediately.

PLAN EARLY

Make sure you request an exchange at least 6 months in advance. Requesting in advance increases your vacation options. Even if you only have a broad idea of destinations and dates, submit a request with a wide search criteria in the early stages of your planning. You can always refine your search criteria as your vacation plans become more specific. For more information, Interval will be more than happy to assist you.
